DETAILED ACTION

Allowable Subject Matter

1. Claims 1-27 are allowed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Applicant's March 7, 2007 Affidavits and associated REMARKS are convincing with regards to the previous rejection. The SeamlessWeb I and SeamlessWeb II do not have a definite correlation with the December 1999 reference date. Further, the Affidavits establish due diligence that predate the December 1999 date. Moreover, Applicant's March 18, 2005 Appeal Brief is succinct and clear as to the differences between the previous September 21, 2004 prior art rejection and Applicant's claim language.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
